Day 4 – Thu, Nov.14

Industry: Aerospace
and Automotive

Location:

GUGGENHEIM BILBAO

North American authorities, key decision makers and top executives will be presenting more than \$100 Billion in projects to European organizations like yours. Come and interact with other European corporations attending the event, and learn from leading US organizations such as:

Secretary of Transportation of the Commonwealth of Virginia · California Transportation Commission · AMTRAK · LA METRO · California Water Commission · Philadelphia International Airport · Space Florida · Washigton Consulting Group · Calpine · Penn State · Independent Energy Producers Association · General Electric · Samsung · Public Utilities Commission · US HSR Association....

and many more key leaders, authorities and organizations from USA that will take part speaking at the conference.

The first Edition of USAWEEK EUROPE will take place at the Guggenheim Museum Bilbao. Clearly differentiated from other initiatives promoting trade that are focussed only on institutional presentations. We just mean business.

More than just a conference, this event will offer:

- **Business Matchmaking**
- **Exhibition Space**
- **Roundtables**
- **Social events**
- **Culture related activities**
