General Business Terms and Conditions

Signing the Application Form signifies accepting the General Business Terms and Conditions

1. Conclusion of contract

1.1. Contracting parties

For the purposes of these General Terms and Conditions, Hungexpo Vásár és Reklám Zrt. shall be considered as contracting parties. (registered office: 10 Albertirsai út, Budapest H-1101, company registration No.: Cg:01-10-041503, hereinafter referred to as **“HUNGEXPO”**) and the partner (hereinafter **“Contracting Party”**) who completes and properly signs the relevant application form (hereinafter **“Application Form”**) for the exhibition organised by Hungexpo on the territory of Hungexpo (hereinafter **“Exhibition”**).

1.2 Invitation to tender

For the purposes of concluding this contract (hereinafter: **“Contract”**) the act of sending or downloading the following documents from the website www.hungexpo.hu shall be considered as a tender invitation by HUNGEXPO: Application Form, General Terms and Conditions of Business – hereinafter General Conditions.

1.3. Conclusion of contract

This Contract is considered concluded between the Parties by return of a copy of the Application Form by post or fax properly signed by the Contracting Parties (on behalf of their companies) to HUNGEXPO (hereinafter: **“Contract Conclusion”**). Simultaneously, the Contracting Party declares that it has been familiarised with and accepted these Business Terms, which constitute an inseparable part of this Contract.

1.4. First call for advance payment

After receipt of the Application Form HUNGEXPO sends to the Contracting Party the first call for advance payment (hereinafter: **“First Call for Advance Payment”**) which contains the amount specified in subsection 6.1 below. If the full amount of the First Call for Advance Payment is not credited to HUNGEXPO's account by the prescribed deadline to the relevant account, HUNGEXPO shall be entitled to back out of the contract by a unilateral written declaration addressed to the Contracting Party and to claim Non-performance Penalty as specified in subsection 9.2.

1.5 Area Designation

HUNGEXPO shall make its decision on designating the exhibition area (hereinafter: **‘Exhibition Area’**) after receipt of the amount referred to in subsection 1.4 without having to justify its decision and it shall send its decision together with a site drawing showing the Exhibition Area to the Contracting Party.

1.6 General Terms and Conditions of Operation

The Contracting Party shall familiarise himself with Hungexpo' effective General Terms and Conditions of Operation (hereinafter **“Operating Conditions”**) constituting part of this Contract. The Operating Conditions can be downloaded from Hungexpo's website at www.hungexpo.hu, or sent to the Contracting Party by Hungexpo by mail upon request.

2. CONTRACTING PARTIES

2.1 Contracting Party

A Contracting Party is a natural or legal person or an unincorporated body who completes and properly signs an Application Form. Only a Contracting Party may the addressee and obligor of the invoices issued by Hungexpo (e.g. of stallage and services). In the Application Form the Contracting Party shall specify the category in which it falls.

2.1.1 Exhibitor

The Exhibitor shall be present at the Exhibition on its own territory or part (hereinafter **“Exhibition Area”**) or may organise participation for others (hereinafter **“Co-exhibitors”**) who have parts within the Exhibition Area required by the Exhibitor. The data of Co-exhibitors must be indicated in the Application Form (under the heading “Co-exhibitors”).

2.1.2 Organiser of a collective exhibition

Participation in the exhibition is organised by a national/provincial or federal/chamber, although it does not necessarily appear at the Exhibition with its own Exhibition Area. The data of exhibitors organised by him must be indicated in the Application Form (under the heading “Co-exhibitors”).

2.1.3 Paying Organiser

The Paying Organiser does not have its own Exhibition Area but organises participation in the Exhibition for another Exhibitor or Exhibitors, and concludes contracts with the organiser of the Exhibition. The Paying Organiser specifies his data in the field entitled “Contracting Party”, and the parties organise by him under the heading “Co-exhibitors” in the Application Form.

2.2 Co-exhibitor

The Co-exhibitor has no Exhibition Area or Part of its own at the Exhibition, or any contractual relation with HUNGEXPO. The Contracting Party shall specify the data of Co-exhibitors in the field entitled “Co-exhibitors” in the Co-exhibitor Notification Form. The Contracting Party shall be fully responsible for the Co-exhibitor's observance of the code of conduct applicable to the Contracting Party. The Contracting Party shall pay Hungexpo the fees charged for the Co-exhibitor (e.g. stallage and service charges etc.). The Co-exhibitor may not be the addressee of any invoice.

2.3 Represented company

A body corporate or incorporate not participating in the Exhibition on an Exhibition Area of its own but represented by the Exhibitor or Co-exhibitor in business deals (hereinafter **“Represented Company”**).

3. Occupancy and alteration of the Exhibition Area

3.1 Occupancy

The Exhibition Area can only be occupied and building started upon payment of advance on the Stallage and Service Fee and receiving the Stand Construction design documentation approved by Hungexpo.

3.2 Alteration

The Exhibition Area designated by HUNGEXPO cannot be arbitrarily exchanged with another exhibitor, extended by agreement with another exhibitor, transferred or sublet either for a fee or free of charge, and be altered in any way only and exclusively with the written preliminary consent of HUNGEXPO.

4. Products , product groups and services

The Contracting Party shall only be entitled to display the products, product groups and services indicated in the Application Form and approved by HUNGEXPO, and advertise its Co-exhibitor and Represented Company indicated in the Application Form.

If at the first call the exhibitor fails to remove goods, product group, or service that do not fit the advertised product group or a promotional tool representing a party other than the Contracting Party, its Co-exhibitor, Represented Company from the Exhibition Area, HUNGEXPO shall be entitled to have the said Exhibition Area locked at the Contracting Party's cost and risk, and claim indemnification from the latter.

5. Exhibition Catalogue

5.1 Official Catalogue

Only HUNGEXPO is entitled to publish an official catalogue of the Exhibition (hereinafter **“Catalogue”**). The official catalogue of the Exhibition shall by all means display the logo of HUNGEXPO and/or the Exhibition. All Contracting Parties who had applied for participation by the deadline shall be included in the catalogue.

5.2 First Entry

The Registration Fee includes the fee charged for the Contracting Party's First Entry in the catalogue of the Exhibition. For any and all requirements in excess of the default inclusion, HUNGEXPO shall charge an inclusion fee. Instead of the Paying Organiser the exhibitor represented by him shall be entitled to be included in the catalogue, and the fee charged for such inclusion shall be paid by the Paying Organiser.

5.3 Cancellation free of charge

The services ordered in the catalogue may be cancelled free of charge up to the stop-press of the catalogue manuscript. HUNGEXPO cannot take subsequent cancellations into consideration, and the ordered services shall be invoiced.

6. Payment terms and occupation

6.1 Payment obligations of the Contracting Party

Foe participation in the Exhibition, the Contracting Party shall pay registration fee (hereinafter **“Registration Fee”**) for the participation, a toll for the Exhibition Area used (hereinafter **“Toll”**), service charge for the services used (hereinafter “Service Charge”), and occasionally a Contractor's Bond (hereinafter: **“Contractor's Bond”**).

6.2 Amount of the Registration Fee

The Exhibitor (cf. Section 2.1.1), the Paying Organiser (cf. Section 2.1.3) and the Collective Exhibitor (cf. section 2.1.2) shall pay 100% of the Registration Fee. In each case the Registration Fee – payable by the organiser of the Collective Exhibition for each participant organised by him (cf. Section 2.1.2) or the Co-organiser (cf. Section 2.2) – is published on the Exhibition website.

6.3 The extent of provisions:

The amount of the Toll shall be determined on the basis of the floor area and type of the Exhibition Area.

6.4 Service fee

The service fee payable by the Contracting Party shall be aggregated and invoiced in accordance with the service process specified in the service order form in effect at the time.

6.5 Contractor's Bond

In order to protect Hungexpo assets and property, any non-Hungexpo contractor or Exhibitor who choose to build their own stand shall pay a Contractor's Bond prior to commencing construction. The Bond and the payment terms are defined in the relevant information sheet.

6.6 Payment Terms

Payment schedule: **First Call for Advance Payment:** 30 % of the registration fee and the Toll referred to in subsection 6.1, the **Second Call for Advance Payment:** 70 % of the registration fee and the Toll

referred to in subsection 6.1, **Final Invoice:** the fee payable for services ordered after the payment of the total Toll, Registration Fee, the liability insurance and the Service Fees ordered together with these. The Contracting Party shall pay the Registration Fee, the Toll, the Service Fees of the services it will have ordered, in full, by the deadline specified in the call for advance payment or in the invoice. The fact that the invoices have been paid shall – at request – be proven at the Exhibition Registration desk. If the terms and conditions relating to applying for participation offer a discount for early application by the deadline specified for this purpose, the early registration discount shall be credited to the amount specified in the Second Call for Advance Payment after the payment of the amount specified in the First Call for Advance Payment.

6.7 Mortgage right

If the Contracting Party fails to perform its liabilities set out in Section 6.6, HUNGEXPO may apply the legal consequences set forth in Section 1.4.8 of the Operating Conditions (hereinafter: 'Mortgage right').

6.8 Late payment

If any payment due on account of this agreement is late, HUNGEXPO shall be entitled to charge late payment penalty amounting to 20% p.a. The Contracting Party shall provide evidence of payment to the Registration Office of the Exhibition (Building K) before the Exhibition closes. The Exhibitor understands and agrees that HUNGEXPO shall be entitled to assign its receivable from the Exhibitor to a factoring firm.

6.9 Bank costs

Any and all costs charged by financial institutions in the course of banking operations shall be payable by the Contracting Party and HUNGEXPO shall not be entitled to cut this claim.

6.10 VAT

As all services provided by HUNGEXPO are considered as complex, they are subject to the payment of the VAT set in the effective act on value added tax.

7. Insurance

7.1 Liability insurance

For the period of its activity performed on the territory of HUNGEXPO, the Contracting Party shall have an insurance policy valid for accidental and unexpected damages caused by its exhibitors or itself in its capacity as builder (decorator, disassembler etc.) as well as its subcontractors.

7.2 Liability Insurance Premium

The premium payable for the compulsory liability insurance (hereinafter **“Insurance Premium”**) shall be 1% of the effective Toll set in the Application Form. In connection with this the Contracting Party shall be liable to pay the toll invoice.

The compulsory Exhibition Insurance Premium shall be invoiced and collected by HUNGEXPO in the toll invoice on commission from and to the benefit of the insurer.

7.3 Collateral

In consideration of the paid insurance premium, the Insurer shall pay - instead of the Exhibitor and/or the builder (decorator, disassembler etc.), except for the down payment - indemnification for any and all accidental and unexpected damages for which the defaulting exhibitor and/or its builders (decorators, disassemblers etc.) are responsible under the regulations of the Hungarian Civil Code. The Exhibitor shall be jointly and severally liable to indemnify HUNGEXPO or any third party for any and all damages caused by its subcontractor.

7.4 Other insurance

In addition to the liability insurance, the Exhibitors have the option to take out an insurance policy to cover the items they exhibit, their installations and other objects found on the territory of HUNGEXPO. The Exhibitor shall be liable for any and all damages arising from the lack or late conclusion of the insurance contract.

8. Noise protection

8.1. The provision of music and performance

The Contracting Party shall comply with the effective provisions of the Operating Conditions during the provision of music and performance and shall, prior to commencing such activities, obtain the consent of the lessees of the neighbouring Exhibition Areas.

8.2 Prohibition

If the Contracting Party exceeds the volume set out in the Operating Conditions and despite joint call from the organiser and the director of the Exhibition fails to stop its musical activity or performance exceeding the above-set value, or breaches the provisions of Section 1.4.6 of the Operating Conditions, HUNGEXPO shall be entitled to terminate power supply to the stand of the Contracting Party and shall not be liable to pay indemnification to the Contracting Party for this act.

9. Cancellation and legal consequences

9.1 Cancellation of participation

Subsequently to Contract Conclusion, the Contracting Party may validly and finally cancel its participation in the Exhibition only in writing, sent in a way that can be proved to HUNGEXPO (hereinafter **“Cancellation”**). Cancellation shall be valid and effective from the date HUNGEXPO receives the statement of cancellation. If the Contracting Party or the exhibitor organised by him fails to occupy the Exhibition Area 24 hours prior to the opening of the Exhibition, and does not report his late arrival in writing confirmed by HUNGEXPO (hereinafter **“Absence”**), this case shall also be considered as cancellation. In the case of Cancellation, HUNGEXPO shall be entitled to let the Exhibition Area marked out for the Contracting Party to another person and in this respect HUNGEXPO shall not be liable to indemnification under any title whatsoever. In the case of Cancellation, the Contracting Party shall pay penalty as set out below.

9.2 Penalty for non-performance

If the Contracting Party cancels its participation after conclusion of this Contract, it must pay HUF 100.000 if termination precedes the 61st day prior to Exhibition opening, 70% of the fee set in Clause 6.2 between the 60th and 31st day, and 100% of the fee set in Clause 6.2 within 30 days as penalty to Hungexpo.

9.3 Cancellation of the Area

If the Contracting Party calls off 20% or more of the area it had previously ordered up to the 61st day prior to the opening of the Exhibition, it shall pay area cancellation penalty (hereinafter **“Area Cancellation Penalty”**). The Area Cancellation Penalty shall be proportionate to the size of the area called off as follows: For an area called off between the 60th and 31st day prior to opening, 80% of the Toll, and cancellation reported after the 30th day shall be subject to the payment of 100% of the Toll.

10. Complaints

In the interest of providing proof, any and all complaints by the Contracting Party in relation to the organisation, implementation and operation etc. of the Exhibition shall be reported in writing before the Exhibition is closed, and all remarks on invoicing shall be reported in writing to HUNGEXPO up to the payment deadline indicated in the invoice. HUNGEXPO cannot take complaints received after the above deadlines into consideration. If the Contracting Party does not raise any objections regarding the Toll within 15 days of receiving the related invoice or the Service Charge by the closing of the Exhibition the latest, the invoice shall be deemed received and accepted.

11. Counterfeiting

By signing the registration sheet, Exhibitor declares and guarantees that it has a title to the intellectual property rights related to the products displayed in the Expo, or has obtained all licences and authorizations from the title holder to display the products. Exhibitor shall respect the intellectual property rights of third parties.

At this Expo, it is forbidden to display any counterfeited products or products breaching the intellectual property rights of others.

If informed that Exhibitor is in breach of any intellectual property rights, Exhibitor shall guarantee / do its best to discontinue such breach as soon as possible and to remove the infringing product.

Exhibitor shall properly prove the existence of the protection of the products displayed by Exhibitor throughout the Expo.

Hungexpo shall not assume liability for counterfeited products displayed at the Expo, yet it is ready to provide information on the necessary actions to enforce such rights.

12. Force majeure

HUNGEXPO shall be entitled to cancel part or whole of the Exhibition or change the date of its organisation, its opening hours and location if an act of God takes place. Force majeure events shall include any and all unpredictable and unavoidable events which prevent or make the Exhibition impossible for reasons beyond the control of HUNGEXPO and otherwise irrespective of HUNGEXPO's actions (e.g. war, riot, civil disturbance, general strike, epidemic, pandemic, natural disaster, fire, flood, earthquake or other inevitable external reasons, emergencies etc.) HUNGEXPO shall advise the Contracting Parties of any force majeure event. If the Exhibition does not take place for reasons of a force majeure event, HUNGEXPO shall not be liable to pay indemnification.

13. Governing law and the settlement of disputes

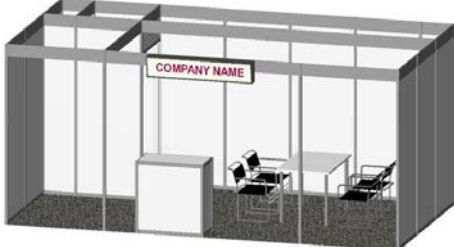

In issues not specifically regulated in this agreement, the relevant regulations of Hungarian law shall prevail.

Parties shall make efforts at the amicable settlement of any eventual disputes. Should this effort fail, the competent courts with jurisdiction shall proceed to settle the dispute.

14. Severance

The Operating Conditions and the Application Form shall constitute inseparable parts to this agreement.

21.2.1. Metal

21.2.2. Glass

21.2.3. Other

21.3. Glued facade claddings, ashlar bricks

21.4. Technologies and products for facade refurbishig, preservation of monuments

FRONTAL

22. DOORS / WINDOWS

22.1. Wooden doors and windows

22.2. Plastic doors and windows

22.3. Metal doors and windows

22.4. Automatic and revolving doors

22.5. Special doors and windows

22.6. Portals, shop windows

22.7. Fan-lights

22.8. Winter gardens

22.9. Profile systems

22.10. Curtain-wall systems

22.11. Materials for build-in

22.12. Armatures and fitting/mounting, locks, handles

22.13. Door and window operators

22.14. Window sills

22.15. Paints, coating materials, impregnating agents

22.16. Machinery for wooden door and window production

22.17. Machinery for plastic door and window production

22.18. Machinery for metal door and window production

22.19. Computer software

23. GLASS INDUSTRY

23.1. Architectural glass

23.2. Insulating glass, glass structures

23.3. Glass with special features

23.4. Glass art, lead-glass, painted glass

23.5. Lighting, glass decoration and consumer goods

23.6. Glass designing

23.7. Glass industrial processing machines

23.8. Tools and materials for glassing

23.9. Material handling devices

23.10. Computer software

23.11. Sound, heat and burglar-proof foils

23.12. Recollection of glass waste

23.13. Glass bricks

24. GATE TECHNOLOGY

24.1. Garage gates

24.2. Industrial gates

24.3. Fences, gates

24.4. Property protection devices and equipment

24.5. Garage-relevant units

24.6. Gate technology
24.7. Security technology
24.8. Entrance phone systems and rings

25. SCREENING TECHNOLOGY

- 25.1. Shutters**
 25.1.1. Aluminium
 25.1.2. Wood
 25.1.3. Plastic
25.2. Barrier screens
 25.2.1. Sunblinds, sunscreens
 25.2.2. Shades for winter gardens and glass surfaces
 25.2.3. External lamellar and textile shades
25.3. Internal shades
25.4. Automated devices, motors, fittings

DECORSTONE

26. STONE MATERIALS FOR EXTERIOR, FASCADÉ AND INTERIOR USE

- 26.1. Agglomerates**
26.2. Marble
26.3. Granite
26.4. Limestone, sandstone
26.5. Coverings based on cement
26.6. Other materials

27. DECORATIVE STONE, FINISHED PRODUCTS

- 27.1. Outdoor coating, pavements**
27.2. Natural stones
 27.2.1. Stone-coating
 27.2.2. Window and door frames, window sills
 27.2.3. Terrace tiling
 27.2.4. Facade-coating
 27.2.5. Outdoor handrail, fences
 27.2.6. base stones, wall stones
 27.2.7. Paving stones
27.3. Imitation stone products
 27.3.1. Tile squares, terraces
 27.3.2. Window sills
 27.3.3. Chimney covers
27.4. Plaster, imitation marble, ceramics
 27.4.1. Plaster decorative elements
 27.4.2. Stucco ornaments
 27.4.3. Statues
27.5. Grave memorials

28. MACHINES AND EQUIPMENT

- 28.1. Quarrying machines and equipment**
28.2. Transport and loading machinery
28.3. Stone processing machinery
28.4. Masonry machines and tools
28.5. Hand tools
28.6. Instruments and machines for work safety and environmental protection

29. FIXING SYSTEMS

- 29.1. Fixing elements**
29.2. Fencing bolts and dowels
29.3. Adhesives
29.4. Fixing tools

30. MONUMENT PROTECTION, RESTORATION, CLEANING

- 30.1. Stone care and preservation agents**
30.2. Stone cleansers
30.3. Polishing and grinding materials
30.4. Impregnants
30.5. Restoration mortars
30.6. Stone adhesives

RENEO

31. Renewable energy sources

31.1. Solar energy

- 31.1.1. Power generation with solar cells
 31.1.2. Heat generation with solar collectors

31.2. Geothermal energy

- 31.2.1. Ground heat utilisation
 31.2.2. Thermal water utilisation

31.3. Biomass (wood and other organic matter)

- 31.3.1. Biomass firing
 31.3.1.1. Wood firing, wood gasification firing
 31.3.1.2. Pellet, or wood chip firing
 31.3.1.3. Other biomass firing
 31.3.2. Biomass-based liquid energy carriers
 31.3.3. Biogas generation and utilisation

31.4. Wind energy

31.5. Hydro energy

31.6. Heat utilisation with heat pumps

- 31.6.1. Ground heat utilisation
 31.6.2. Groundwater/surface water heat utilisation
 31.6.3. Air heat utilisation
 31.6.4. Waste heat utilisation

31.7. Combined systems

31.8. Storage and transformation of renewable energy types

31.9. Energy efficient construction and refurbishment

- 31.9.1. Energy efficient smart building
 31.9.2. Passive house
 31.9.3. Zero energy house
 31.9.4. Active house

32. Heating Engineering

32.1. Self-contained Heating Appliances

- 32.1.1. Solid Fuel-fired Stoves
 32.1.2. Oil- and Gas-fired Stoves
 32.1.3. External Wall-mounted Gas Appliances
 32.1.4. Gas Radiators
 32.1.5. Direct Gas-fired Space Heaters and Radiators
 32.1.6. Household Kitchen Apparatus
 32.1.7. Large Kitchen Equipments
 32.1.8. Electric Apparatus

32.2. Central Heat Generation Apparatus

- 32.2.1. Oil and Gas Boilers
 32.2.2. Wall-mounted gas appliances
 32.2.3. Condensation heating equipment, boilers
 32.2.4. Solid Fuel-fired Boilers
 32.2.5. Electric Boilers
 32.2.6. Waste and Refuse Incineration Boilers
 32.2.7. Log Fired Boilers
 32.2.8. Pellet Boilers
 32.2.9. Wood Chips Boilers
 32.2.10. Block Heating Plants
 32.2.11. Rapid Steam Generators
 32.2.12. Heat Exchangers
 32.2.13. Heating and Hot Water Pumps

32.3. Domestic Hot Water Appliances

32.4. Furnaces

32.5. Flue Gas Removal

32.6. Heat-transfer Appliances

- 32.6.1. Radiators
 32.6.2. Convectors and Skirting Convectors
 32.6.3. Fan-coil units
 32.6.4. Floor-heating Systems and Their Components
 32.6.5. Wall Heating Systems and Their Components
 32.6.6. Heating Blankets and Heating Strips

33. Cooling Engineering

33.1. Self-contained Coolers

- 33.1.1. Household Coolers
 33.1.2. Commercial Coolers

33.2. Central Coolers and Their Accessory Equipment

33.3. Cooler Components

34. Air-handling, Ventilation and Air-conditioning Engineering

34.1. Ventilators and Air Conditioners

- 34.1.1. Self-contained Air Supply and Exhaust Units
- 34.1.2. Self-contained Air-conditioning Units
(see Cooling Engineering)
- 34.1.3. Exhaust Systems
- 34.1.4. Compact Ventilators
- 34.1.5. Air Conditioners
- 34.1.6. Air Dryers and Dehumidifiers

34.2. Fans of Ventilation and Air-Conditioning Systems

34.3. Air-handling Components of Ventilators and Air Conditioners

34.4. Air Duct System Components of Ventilation

35. Sanitary Engineering

35.1. Fittings and Installation Systems

- 35.1.1. Outlet and Flushing Fittings
- 35.1.2. Wall-mounted Installation and Flushing Systems
- 35.1.3. Accessory Fittings
- 35.1.4. Safety Showers
- 35.1.5. Disinfectors

36. Pumps and Water Treatment Equipment

36.1. Water Treatment Equipment

36.2. Pumps and Their Accessories

37. Drainage and Sewage Treatment

- 37.1. Utility Connection (gravity, low-lift)
- 37.2. Septic Tank, Infiltration Field
- 37.3. Biological Devices and Equipment
- 37.4. Utilization of Storm Water

38. Installation Engineering

38.1. Air-handling Systems

38.2. Pipe Systems

38.3. System Fittings

38.4. Tools

38.5. Testing, Cleaning and Repair Equipment

38.6. Measuring and Recording Instruments and Tools

38.7. Work Safety Devices

39. Measuring, control and process technology for buildings

39.1. Central control system

39.2. Individual control equipment

39.3. Units for control systems

39.4. Gas-, water- heatmeters and cost dividers

39.5. Domestic conveniences – central vacuuming systems

URB:ICON

INVESTMENT

40. Real estate developers, real estate agencies

40.1. Real estate development

40.2. Real estate agency

40.3. Real estate selling and leasing

40.4. Facility management

41. Urban infrastructure – technical, public utility networks

41.1. Water supply – canalization

41.2. District heating

41.3. Electricity

41.4. Natural gas

41.5. Telecommunication

41.6. Renewable energy sources in municipalities

SETTLEMENT OPERATION

42. Park maintenance

43. Street lighting

44. Street furniture

45. Public sanitation

45.1. Waste collection, storage – means and technologies of the collection, storage, transportation and recycling of communal waste

45.2. Selective waste collection

45.3. Cleaning machines

45.4. Public sanitation services
