

# A market of new opportunities A long term growth for your investments

**ITA - Italian Trade Agency** in collaboration with **ANCE - Italian National Association of Construction Companies** will be presenting at MIPIM the revival of the Italian Real Estate market.

The Italian Pavilion this year will also be honoured to host four major territories, namely the **Marche, Piedmont and Tuscany Regions**, the **Province of Trento**, along with the joint-stock company under public control **Cassa Depositi e Prestiti**.

The Italian team will be showcasing high potential and profitable projects that also offer the guarantee of Italian quality in construction and design.

## Italian Real Estate: a growing market, a wealth of opportunities

- Developers are regaining **confidence**
- Increased **sales of houses (+3.7%)** and **commercial Real Estate (+4.8%)** in the third quarter of 2014
- **Rising prices** of new houses
- Boom of **loans** for house purchase (**+13.9%** in the third quarter of 2014)
- Growing calls for **public works tenders (+30.4%** in number and **+18.3%** in value in 2014)

## Event programme

Invitations to events and presentations will follow shortly.
