Alexandria , 20 August 2019

Egyptian Italian Dialogue on Maritime Economy

Second edition 2019

Based on the both Documents received from your esteemed side dated 17th of April 2019 & 29th of July 2019 and the result of discussions held between H.E Ambassador Cantini & H.E Admiral Ayman saleh on 21st of July 2019 ,

The Egyptian side concluded an internal meeting with all relevant stakeholders on 18th of August and a strong will of cooperation was shown during the meeting as the Italian proposals were intensively discussed.

The Egyptian side will organize field visits for Italian delegation for the following sites (Suez canal Economic Zone , Alexandria port Authority , Damietta Port Authority, in the field of shipyards (proposed sites :Suez canal affiliated shipyard: Port said Ship yard , Naval forces affiliated shipyard: Alexandria Ship yard) .

As Agreed (6) workshops to discuss mutual fields of interest and training shall be cross cutting point of discussion as Follow :

- Workshop (1) Ports & Shipping
- Workshop (2) Networking (Port Facilities / Custom Cooperation/ Road Transport /Dry Ports)
- Workshop (3) Cooperation in the field of gas treatment in ports / Green Ports
- Workshop (4) Infrastructural/intermodal projects
- Workshop (5) Maritime Tourism
- Workshop (6) Ship Building

Workshop (1) Ports & Shipping

Points of Discussion

Italian Side	Egyptian Side Points of Discussion during the workshop
<p>1. Enhancing Ro-Ro lines:</p> <p>a) <u>Enhancing existing lines</u>: A stronger cooperation between National Custom Authorities would permit to reach an operating model able to extend pre-clearing procedures already existing in Italy in the EU framework.</p> <p>b) <u>New Ro-Ro lines</u> between Italian and Egyptian Ports: A few Italian Ports are discussing with Egyptian Ports of Alexandria and Damietta the signing of MoU.</p> <p>c) Venice Port Authority is now willing to promote the establishment of new regular ro-ro services with Egyptian ports.</p>	<p>1- Enhancing Ro-Ro lines:</p> <p>a) Egyptian Custom Authority is willing to enhance the cooperation with the Italian authority and further discuss the e-linkage between both authorities.</p> <p>b) Egyptian Ports of Alexandria and Damietta are willing & ready for practical discussions in this regard.</p> <p>c) The Egyptian ports (Damietta/Alexandria) are willing to promote the establishment of new regular ro-ro services with Venice Port Authority & to carry out further discussions regarding the suggested routes.</p>
<p>2- Cooperation in cargo lines (perishable goods)/"green corridor":</p> <p>a. Italian companies and Port authorities are interested in starting discussions on reactivating a "green corridor" for <u>fruits and vegetables and perishable goods</u> between Italy and Egypt</p> <p>b. <u>Project cargo</u>: Italian ports are leaders in this sector of activity (Trieste, Venice, Ravenna, Genoa) As to perishable products, Italian Port Authorities can provide flexible structures, fast control procedures and logistics services to maintain the cold chain of perishable goods exported from Egypt to Italy.</p>	<p>2- Cooperation in cargo lines (perishable goods)/"green corridor":</p> <p>a. Relevant stakeholders will be present to discuss practical means for reactivating "green corridor" .. (Main stakeholders: Agriculture Export Council (Egyptian Agriculture Exporters) , Export Development Authority – Ministry of Trade & industry, International Freight forwarders association , Egyptian Ports(Alexandria ,Damietta), shipping Chambers , customs ...)</p> <p>b. Egyptian Side is willing to cooperate in this regard and go for further discussions through Ports working group</p>
