--	--	--

- **Kanoo Travel** – In 1947, Kanoo Travel became the first IATA agency in the Gulf and has grown into the largest travel company in the Middle East. It consists of separate operating Divisions i.e. Kanoo Corporate, Kanoo Holidays, Retail Outlets, GSA Division, IT Division & Marine Travel. Kanoo Travel has a strong global presence and is the Regional Partner of American Express in the Middle East.
- **Kanoo Shipping** – Being the first Arab Shipping Agency in the Region established in 1911, grown into the largest regional shipping agency in the Middle East, covering all ports in the Middle East. With regionally centralised finance and communications, the Kanoo office network covers the entire Arabian Peninsula, including the Gulf, the Red Sea, Iran and Indian Sub-continent.
- **Kanoo Machinery** – Since its inception over 40 years ago, Kanoo Machinery has grown to become one of the foremost material handling and equipment distributors in the Gulf offering a cross-border seamless service. It provides its services to all sectors of industry with a wide range of equipment and consumables from the world's leading manufacturers.
- **Kanoo Oil & Gas** – Supplies specialist products and services for the oil, gas and petrochemical industries. It provides unique value solutions to technical problems through a well-developed network of international suppliers supported locally experienced and skilled staff.
- **Kanoo Power & Industrial Projects** – Provides solutions that increase efficiency, optimise unit output and reduce costs. It provides technically advanced engineering and value-added services to utility companies and to a multitude of industries throughout the Gulf and Arabian Peninsula.
- **Kanoo Freight Forwarding** – Offers the latest total transport concepts through its worldwide connections. Have extensive warehousing and storage facilities at strategic locations to support our diversified and customised services.

- **Kanoo Property Division** – As owners of a large range of commercial and residential property throughout the Region, this Division is constantly evolving to meet the market trends.
- **Kanoo Axa Insurance** – Join Venture with AXA Group, is a major international insurer in the Middle East offering wide range of insurance products and services for corporate and individual customers.
- **Kanoo Zaina Consumer Products** - a major distributor and retailer for a wide range of consumer goods. Its distribution system network is backed by a chain of well located warehouses using the latest computer technology and software.
- **Kanoo Training Centre** – Established to provide Kanoo employees with the skills and business acumen they need to function effectively within a diverse and ever-changing commercial environment.
- **Kanoo Information and Technology** – Acquired expertise in the development, implementation and support of diverse IT solutions thus putting in place a strong foundation for the genesis and growth of GEMINI Software Solutions.
- **Kanoo Joint Ventures** – This Division was established over 25 years ago and has seventeen joint venture companies under its wings. With the experience in setting up Joint Ventures, supported by the Company's administration and legal professionals, the Division has acquired a strategic position in establishing new business partnerships.

As I represent Kanoo Group, I have interest in all of the following Division's activities.

- **Kanoo Travel** – In 1947, Kanoo Travel became the first IATA agency in the Gulf and has grown into the largest travel company in the Middle East. It consists of separate operating Divisions i.e. Kanoo Corporate, Kanoo Holidays, Retail Outlets, GSA Division, IT Division & Marine Travel. Kanoo Travel has a strong global presence and is the Regional Partner of American Express in the Middle East.
- **Kanoo Shipping** – Being the first Arab Shipping Agency in the Region established in 1911, grown into the largest regional shipping agency in the Middle East, covering all ports in the Middle East. With regionally centralised finance and communications, the Kanoo office network covers the entire Arabian Peninsula, including the Gulf, the Red Sea, Iran and Indian Sub-continent.
- **Kanoo Machinery** – Since its inception over 40 years ago, Kanoo Machinery has grown to become one of the foremost material handling and equipment distributors in the Gulf offering a cross-border seamless service. It provides its services to all sectors of industry with a wide range of equipment and consumables from the world's leading manufacturers.
- **Kanoo Oil & Gas** – Supplies specialist products and services for the oil, gas and petrochemical industries. It provides unique value solutions to technical problems through a well-developed network of international suppliers supported locally experienced and skilled staff.
- **Kanoo Power & Industrial Projects** – Provides solutions that increase efficiency, optimise unit output and reduce costs. It provides technically advanced engineering and value-added services to utility companies and to a multitude of industries throughout the Gulf and Arabian Peninsula.
- **Kanoo Freight Forwarding** – Offers the latest total transport concepts through its worldwide connections. Have extensive warehousing and storage facilities at strategic locations to support our diversified and customised services.
- **Kanoo Property Division** – As owners of a large range of commercial and residential property throughout the Region, this Division is constantly evolving to meet the market trends.
- **Kanoo Axa Insurance** – Joint Venture with AXA Group, is a major international insurer in the Middle East offering wide range of insurance products and services for corporate and individual customers.
- **Kanoo Zaina Consumer Products** - a major distributor and retailer for a wide range of consumer goods. Its distribution system network is backed by a chain of well located warehouses using the latest computer technology and software.
- **Kanoo Training Centre** – Established to provide Kanoo employees with the skills and business acumen they need to function effectively within a diverse and ever-changing commercial environment.
- **Kanoo Information and Technology** – Acquired expertise in the development, implementation and support of diverse IT solutions thus putting in place a strong foundation for the genesis and growth of GEMINI Software Solutions.
- **Kanoo Joint Ventures** – This Division was established over 25 years ago and has seventeen joint venture companies under its wings. With the experience in setting up Joint Ventures, supported by the Company's administration and legal professionals, the Division has acquired a strategic position in establishing new business partnerships.
